***Please attach your check payable to St. Andrew Catholic School***

# Tackle Box – After School Care Program

(Teaching Active, Creative Kids Late-Day Energy)

St. Andrew Catholic School's After School Care Program provides care for any SACS' student. Children are offered a variety of supervised activities including: Homework Time, crafts, board games, free time, reading and athletic games. Our program is planned with the children in mind ... a program we hope is fun, exciting and an overall learning experience.

Tackle Box will be open on school days from 2:45 – 6:00

A registration calendar will be sent home with every Tackle Box Family around the middle of each month. The forms will also be available online at the school website. The calendar is where parents check all the days their child(ren) need care for the upcoming month. Parents may sign up for one day a week, two days, every day or whatever works best for your family.

There is a cost reduction for registration calendars returned by the date listed on each calendar. Fees MUST be paid when the registration form is turned in. If a parent finds they need care on a last minute basis, the child may attend if there is room that day, but the non-reduced rate will be charged.

## Cost (per day):

If registration calendar is returned on or before the deadline on each calendar, the cost is: **\$11.00 per day**

If registration calendar is returned after the deadline on each calendar, the cost is: **\$15.00 per day**

Drop-In Rate (if room available) **\$15.00 per day**

If a child is picked up after 6:00 pm., the fee is \$15 for every 15-minute interval.

An after school snack will be provided for each child in After School Care at 3:00. This snack fee is included in the daily rate.

We look forward to your child(ren) joining our Tackle Box. If you have further questions, please feel free to contact:

Kari Staples, Principal  
Katie Kolles, Tackle Box Director
